The regular Board of Director’s meeting was called to order at 7:00 P.M. by Director Holthaus

**Directors Present:** Miller, Cain & Holthaus

**Staff:** Chief Ghiorso, D/C Lindner, Business Manager Edwards, Fire Marshal Enea, DFM Bullard, B/C Slaughter, B/C Butler, B/C Picchi, EMS B/C Silici

**Oral Communications Public:** NONE

**Consent Agenda:**
Items: 1, 2, 4 & 6 were moved to the consent agenda.

**Regular Agenda:**

**Item 3:** The statement of accounts was discussed and approved as submitted.

**Item 7:** Chief Ghiorso demonstrated the “One Concern Platform” and highlighted its capabilities and uses. He also summarized the purchase arrangement with the two Towns.

**Fire Chief:** Chief Ghiorso reported that the Foundation has started its quiet phase of the capital campaign. There has already been a positive response from possible donors. Research on a financial reserve account is underway. The station 7 fault survey is complete. The District’s Business Manager is auditing the calculations on the District’s workers compensation policy. The Chief is researching the ability to invest Funds outside of the County Finance department and subsequently reviewing investment fund options and policy for the District.

**Deputy Chief:** Deputy Chief Lindner reported that the County Chiefs are in the final stages of finalizing County policies. He provided a summary of the initial attack provided by Cal Fire for the Skeggs Fire.

**Fire Prevention:** Fire Marshal Denise Enea and Deputy Fire Marshal Don Bullard reported that permit activity has doubled from a year ago to date. An abundance of large projects are being submitted on an unprecedented rate. The chipper program and LTCMD inspection and incentive program remain at a high participation level.

**Operations Apparatus:** B/C Picchi reported that the District’s strike team has returned from the Trinity Fire. The relationship with Cal Fire and the WFPD played an important role in how smoothly the Skeggs Fire was handled.

**Operations Facilities:** B/C Slaughter reported that the web site activity for the month was status quo. Sean Devlin has conducted a map update class for personnel. The current updated maps are being uploaded to the District iPads.

**EMS:** B/C Silici reported that training consisted of mega codes. Three of our newest paramedics are now stand-alone paramedics. The stroke study has been underway for 10 months and the information gathered
from the District has proven to be very useful to the Stanford program. EMS in San Mateo County is contemplating a pilot study for “ECMO” Extracorporeal Membrane Oxygenation.

Training: B/C Butler reported that in house training was targeted on ropes and knots. The south zone training consisted of a drill with Cal Train and an active shooter component. The final probationary testing for Chris O’Leary and Hansen Perkins was completed. Preparations are underway for a Captain’s test.
