**Regular Agenda:**

**Item 5.** The Board unanimously approved the fiscal spread sheets.

**Fire Chief:** Chief Ghiorso reported that the Foundation meeting and dinner was postponed, and the District is still gathering information. The mass notification seminar was very informative. There are several types of state and federal mass notification systems that are coming available to local Counties. The small claims action for the vehicle accident at 808 Portola Rd. was settled. FF/Paramedic Sean Devlin received an award for his extensive map work for the District.

**Deputy Chief:** Deputy Chief Lindner had nothing to report.

**Fire Prevention:** Fire Marshal Enea reported that the chipper program will start on May 7th. The current crew is being certified in a chainsaw class for work on the chipper program. The prevention division has a prevention intern starting on April 1. The intern will assist with defensible space inspections and weed abatement issues. Prevention is working with PG&E and the Town of Woodside to address removal of quite a few eucalyptus

**Operations Apparatus:** B/C Picchi reported that the District is improving on the nozzle forward training. Some of the District apparatus are being renumbered to reflect an updated dispatch mechanism. The District attended the Woodside Elementary auction and donated a firehouse dinner. Station 7 also hosted a pancake breakfast.

**Operations Facilities:** B/C Slaughter reported that the new Telestaff and RMS software has been initiated. Brandon Lima and Sean Devlin are heading the software transition and doing a tremendous job.

**EMS:** B/C Silici reported that the EMS trauma block training was completed. Four of the five new employees are now stand-alone paramedics, Michael Lambrechts has certified over 50 County Park rangers. The District met with AMR to discuss the System status plan with AMR and a re-allocation of ambulances was instituted. The12 lead training was completed last month for the paramedics. NCEFT has proposed a discussion group that incorporates stress reduction with the firefighters. The mobile stroke unit will be coming to SMC. The stroke unit provides for a mobile CT unit.
Training: B/C Butler reported that fire training for February included building construction. The region training included annual physicals and support for other divisions. Probationary training is going well. Firefighters are training for their block 3 TEST. The academy has started, and the background checks are complete.

Public Education: Chief Ghiorso reported for Selena Brown. The District has completed the latest version of the CERPP training class.
